FORMATION OF SUBSIDIARY COMPANIES

Ecovista Plc (the "Company") is pleased to announce that in line with its strategy of looking at the alternative energy sector and recycling as well as other new opportunities in the 'green' sector, it has formed two new subsidiaries; Hydrovista Ltd and Solar EV Ltd.

Hydrovista Ltd will concentrate on the exciting area of Hydro-electric generation and Solar EV Ltd will be specialising in the Photovoltaic or solar energy field.

Hydrovista has entered into advanced negotiations with third parties with a view to developing Hydro-electric power generation on inland waterways.

Solar EV Limited is in talks with overseas Photocells manufacturers to gain exclusive rights for the UK market for their products.

The Directors of the Issuer accept responsibility for this announcement.
