

Market Update
(Ecovista" or the "Company")

Ecovista PLC has bought an 80% stake in Start Hill Limited, a special purpose vehicle, which owns the property "Marstons", a 4-bedroom property near to Stansted Airport.

The shares were purchased for the sum of GBP532,000. Louise Stokely has joined the board of Start Hill Limited. This purchase came from the Company's own funds.

Willside Limited, the Company's wholly owned subsidiary, has also bought a one year option for GBP10,000 to buy the next-door property to "Marstons" called "Barnmead" for the sum of 1,300,000.

The directors believe that the two combined plots which covers 1.72 acres has good chance of obtaining further development planning.

The Company has also repaid the loan of an amount of GBP100,000 to DHD Impex PTE, one of its convertible loan notes holders, that was issued on 3(rd) November 2015.

The Directors of the Company accept responsibility for this announcement.
